Regional Nurse Consultant in OR

We are seeking a dedicated **Registered Nurse** to join Veterans Care Centers of Oregon, a not-for-profit organization that manages Oregon's state Veterans homes. The Regional Director of Clinical Operations – works collaboratively with facility management teams, and other regional and management company team members to ensure the delivery of quality care and regulatory compliance in Oregon's Veterans Homes.

This position acts as the primary resource for training, monitoring, and coaching facility Directors of Nursing and Nursing Department staff members. Be an expert resource to help the facilities improve their Quality Measure scores. Assists such communities during annual state, VA and complaint surveys as well as assisting with the preparation and implementation of plans of correction. Maintain knowledge of current VA, CMS and State regulatory requirements.

A Strong Candidate will:

- Possess a current RN License in good standing in Oregon.
- Experience with multi-site management.
- Have thorough knowledge of federal and state regulations applicable to skilled Nursing Facilities.
- 3-5 years' experience as a Director of Nursing or clinical consultant in the long-term care industry.
- Proven expertise in the Quality Measure system and how to improve facility scores.
- Ability to travel to assigned facilities and able to set priorities with minimal supervision.
- Expertise in using the PointClickCare EMR system.
- Preferably experience as a LTC Surveyor.
